#8 – April 20th-26th

No Extra Work April 27th – May 3rd – COMP #4

- Maintenance schedule may not be taught by the same choreographer.
- TDS does its best to be consistent however TDS also recognizes that sometimes things happen, and substitute teachers are required. (It is a positive to have another pair of eyes look at routines.)
- Dancers are also required to work on and keep up their extra work on their own.

All Maintenance Fees Due: Saturday February 1st
