## **Zoom Classes**

We have brought back Competitive ZOOM classes for any dancers that are sick and or been told they must self-isolate due to COVID. Please note ZOOM cannot be use for those just not wanting to attend. (Going to the cottage. Birthday parties etc.)

## **Attendance**

Please be mindful when booking outside appointments, we are already having to deal with "COVID" absences it makes it hard when we must compete with other unnecessary missed classes. Try to book on your free time.

\*\*School is a priority, and we completely understand that it takes precedence however we are encouraging dancers to time manage their studies so that they can attend all their mandatory classes\*\*

**Reminder:** If your dancer is injured and is not participating in classes, they still must attend all mandatory classes including the corresponding technique classes via in person or on ZOOM.
