We will be thinking Safety First!

Our Home

We hope you are enjoying our beautiful dance space. We ask that you think of it as your home!! Take pride in this environment and keep it looking fresh and clean.

A couple of things to remember:

1. Keep your hands and feet off the lobby walls.
2. Children are to be supervised at all times. Acrobatics and rough play are not permitted in the lobby .
3. Smaller children are asked to look through the lower viewing windows or the TV screens.
4. Try to keep hands off all viewing windows.
5. The benches are to be used to sit on. Please do not stand or move the benches.

Parking Lot

Please remember we have a back door for your convenience. It is stroller and wheelchair friendly. Please DO NOT pull up and idle along the side of the building while waiting for your dancers to finish. It clogs up the parking lot and makes it unsafe for dancers entering and exiting the building. Also be mindful of the other businesses in our complex, there is plenty of parking out back
