About Us

Growing up in Milton and living here for over 47 years, I have learned that Milton has a very strong sense of family and community. I started dancing at a local dance studio in Milton at the age of 10. My love for dance grew stronger as I got older, and I knew I had to spread the love of dance to as many people as I possibly could. 29 years ago, I started The Dance Shoppe. Our first location was a small 700 square foot, 1 room dance studio, on Main Street below Troy's Diner. My dream was to create a place where children could come and share my passion for dance. Along with my mother, father, family, and friends The Dance Shoppe was built. Over the years, The Dance Shoppe has grown to over 12,000 square feet. It is now an incredible dance space where boys and girls, young and old, come to learn dance and express themselves. Here at The Dance Shoppe, we pride ourselves in being able to provide a safe and family friendly environment to learn and have fun. We believe everyone can dance, they just need to be given the tools and confidence to shine and be themselves. TDS is thriving now more than ever, and we are excited to see what the future holds. The one thing that has never changed and will never change is our commitment to the students and their families.

The Dance Shoppe is "Milton's Family Dance Studio"! as families return to the studio, year after year, generation after generation. We want our dancers and their families to feel at home when at TDS. Our open-door policy allows families to communicate with us at any time for any reason. It warms my heart to watch so many young dancers grow up, move on, then come back to the studio with their own children.

Our creative and professional staff help us to bring quality dance lessons to many young dancers. My hope is that The Dance Shoppe will always be a safe and fun place for children in Milton and continue to inspire dancers for many years to come.

Milton has given me so much. I feel so very lucky and blessed to be able to work and live in this incredible community.

Come join our dance family and become a member of The Dance Shoppe, "Milton's Family Dance Studio!"

Our Facility

The Dance Shoppe is a bright and family friendly dance studio. We have five large state of the art dance rooms, all with viewing windows and a closed-circuit video system so you may watch all your dancers on one screen. Our 12,000 square foot dance complex has a front and back entrance to make it convenient to park and enter during busy times and inclement weather. Our spacious hallways and kitchenette make for a comfortable family atmosphere and allow you to enjoy your time at The Dance Shoppe. Each dance studio is individually controlled for heat and air conditioning to allow for an optimum temperature for your dancer to train in. The generous girls and boys change rooms/washrooms are both equipped with baby change stations along with lockers and hot and cold running water. The professional décor is both relaxing and tranquil. We are located in an area close to shopping and restaurants, with easy excess to the highway. We encourage you to come in and watch each class so you can see the enjoyment and the development of your dancer.

Recreational Program

The Dance Shoppe offers classes from pre-school up to adult. Our programs enhance rhythm skills, coordination, musicality, self-esteem, and the love of dance! Classes are offered during weeknights and Saturdays for your convenience. Pre-school dancers, age 2 years are enrolled into our creative dance program. Dancers 3 years and up can enroll in any of the many forms of dance. Classes vary from 30 minutes a class to 1-hour classes. Students have the option to perform one routine per discipline at The Dance Shoppe's year end recital.

Part Time and Full Time Competitive Program

Our competitive program is designed for dancers who wish to pursue an advanced level of training. The program is divided into teams. The dancers are placed on a team according to technique, level, and age. Competitive dancers represent the studio at different competitions though out the year, as well as at many community events and all Dance Shoppe functions. Competitive dancers strive to achieve their goals, build confidence, and conduct themselves in a sportsman like manner at all times. Contact the studio today to book your competitive assessment.

Year End Recital

The Dance Shoppe is proud to present the year end dance recital on the second weekend in June. This is a production put together of all the dance programs offered at the studio. The dancers present their showcase of hard work and fun in a professional environment, with professional staging, lights and sound. We invite family, friends and the general public to attend this wonderful event. The recital is optional for our dancers, but it is an up-lifting experience that will provide them with memories for a lifetime. Each student is fitted for a costume, ordered especially for your dancer.

Dance Examinations

Many of The Dance Shoppe dancers are offered to take their exams in one or more disciplines. Examinations give your dancer the opportunity to present what they have achieved and be awarded a mark and certificate. Exam students must attend the minimum class requirements in order to be considered for exam classes.

Each exam carries an additional class and fees.
